

**ASSISTIVE TECHNOLOGY 101:
A LIVE DEMONSTRATION OF A.T. IN
ACTION**

Tim Montgomery
Disability Specialist - DRC
University of Nevada, Las Vegas

Andrew Luiz
Sr. Rehabilitation Technologist
Easter Seals of Southern Nevada

**PRESENTATION OUTLINE:
Access to course materials and
curriculum**

- Course Syllabi And Instruction
- Lectures
- Classroom participation
- Assignments
- Textbooks
- Exams/quizzes

Course Syllabi And Instruction

- Screen Readers / Text-To-Speech Software
- Screen Magnification
- Voice Recognition
- (Assisted Listening Devices)

Examples / Demonstration

- Questions and discussion

Lectures

- Audio Recorders
- Laptops / Netbooks
- Electronic Note takers
- I pads, ebook Readers
- (Assisted Listening Devices)
- Portable or Handheld Electronic Magnifiers And Optics

Examples / Demonstration

- Questions and discussion

Classroom Participation

- (Assisted Listening Devices)
- Augmentative And Alternative Communication
- Portable or Handheld Electronic Magnifiers And Optics
- Laptops / Netbooks
- Voice Recognition

Examples / Demonstration

- Questions and discussion

Assignments

- Computer Access Technologies
 - Screen Readers
 - Screen Magnification
 - Voice Recognition
- Electronic Notetakers
- Literacy Software
- Audio books
- I pads, ebook Readers
- Portable or Handheld Electronic Devices

Examples / Demonstration

- Questions and discussion

Textbooks

- Audio Formatted Books
- DAISY Formatted Books
- Literacy Software
- Reading Systems
- Electronic Text

Examples / Demonstration

- Questions and discussion

Exams and quizzes

- Test talker
- Screen reader
- Screen magnification
- Voice Recognition
- Laptops / Ipads
- Literacy software

Examples / Demonstration

- Question and discussion
